Property Acquisition Help for All Souls

We have recently learned about a single-family residential property adjacent to the All Souls ELC Campus that will soon be available for sale. While the Finance Council believes that acquiring this property could be of great benefit to All Souls in the long run, we cannot justify making the purchase at this time due to the Church renovation currently taking place.

We are seeking parishioners who might be interested and able to acquire this rental property on behalf of the school. The intention is for All Souls to purchase the property in two or three years, either through cash or as a gift. If you would like to inquire about helping with this purchase, please reach out to Fr. Rick, or contact Reed Dixon at rwd38@outlook.com.

FROM THE SCHOOL & ELC

Donate to the Online Roundup Fundraiser!

Though our online auction has ended, the All Souls Catholic Home & School Association still needs your support to reach our fundraising target! You can help by making a personal or business donation, taking advantage of employer matching programs, contributing through foundations and grants, or donating via our ELC tax credit program. Your kindness will have a direct impact on our students' lives, fostering a safer and more enriching environment for their education and play. Every dollar contributed until the end of the school year will be allocated entirely to the Home & School's annual budget, the Security & Technology Funds, and most importantly, our project to enhance the School Field and upgrade playground equipment.

If you're interested in discovering more about our outdoor improvement project at the school and the various ways you can contribute, please scan the QR code on the right. You can also deliver donations directly to the School Office. We sincerely appreciate your generous support in helping All Souls Catholic School & Early Learning Center thrive, educate, and serve our students and community!

There are spots still available for the All Souls Catholic Early Learning Center's 2025 Summer Camp! Open to children aged 3-5 who will be entering preschool, pre-kindergarten, or kindergarten in the fall, our camp is designed to spark young curious imaginations through a variety of activities that celebrate diverse cultures from around the globe. With six different camp sessions to choose from, each session will focus on a different country, with hands-on exercises designed to educate children about the unique contributions of each nation. This is an amazing opportunity for campers to explore new interests and develop valuable skills for life.

The cost for each 3-day session is **\$227 for half-day enrollment (8:00am-1:00pm)** or **\$275 for full-days (8:00am-3:00pm)**. Families can sign up for as many sessions as they choose. A one-time non-refundable registration fee of \$50 will be assessed.
