CHURCH SECURITY UPGRADES

From the very beginning of our church renovation plans, improving the security of All Souls has been an integral part of the plans. Upgrades such as reinforced doors, access control, intrusion detection, and surveillance cameras have all been thoughtfully integrated into the new design.

In response to recent events, we are now launching two important security initiatives that will further protect our Parish, School, and ELC families—ensuring that everyone can gather and worship in safety and peace within our beautifully renewed Church.

FIRST PRIORITY

Expanded Fencing

- Extend security fencing around the Church, Jaeger Hall and Parish Office.
- Projected cost: **\$33,550**

SECOND PRIORITY

Reinforced Protection for Windows

- Install intrusion film on main-level windows in the Church, including all exterior stained-glass (priority is the south side, working our way around to the north), glass on doors, and interior windows in the Narthex.
- Projected cost: **\$20,500**

TOTAL COST: \$54,050

TOTAL RAISED: \$20,000

TOTAL REMAINING: \$34,050

WE NEED YOUR HELP!

In order to reach our goal to make these additional security improvements, we need your help! Make a donation today by scanning the QR code, or you can bring a cash/check donation to the Parish Office.

THANK YOU FOR YOUR CONTINUAL SUPPORT!
