Help All Souls in generating additional funds for our Capital Campaign by purchasing an engraved item for our Rosary Garden or a repurposed stained-glass panel from the pre-renovated Church!

ROSARY GARDEN

LEAVE YOUR LEGACY FOR GENERATIONS TO COME!

As many of you are aware, we are set to create a Rosary Garden in the grassy area located between the Church and the south parking lot. This beautiful garden will include:

- Engraved flagstone pavers that represent each bead of the Rosary,
- Existing trees that will mark the start of each Rosary decade,
- Five memorial benches aside decade segment for participants to sit in prayer and meditation,
- Engraved bricks bordering each bench, and
- Engraved river rocks placed at the base of each existing tree.

Last year, we provided parishioners and school families with the chance to purchase these specially engraved items to help fund our Capital Campaign aimed at renovating the Church. Thanks to your incredible generosity, we successfully sold many of these items for engraving, including all of the benches. **However, we still have a variety of bricks, river rocks, and flagstones still available for purchase!**

The Rosary Garden serves as a lovely tribute to the All Souls Family through prayer. Acquiring any of these engraved items is a meaningful way to remember a loved one who has passed or honor a living individual who has made a lasting impact at All Souls. **Leave your lasting legacy at All Souls by purchasing an engraved remembrance item for the Rosary Garden today!**

REPURPOSED STAINED GLASS

TAKE HOME A MEMORY OF ALL SOULS!

One major component of our renovated Church space will be the new, larger stained-glass windows that will grace the north and south walls of the nave. With these new windows being installed, the decision was made to repurpose the old stained-glass windows into smaller segments.

We are excited to offer these reclaimed stained-glass panels to our parish and school families!

These unique pieces carry the history and spirit of our cherished Church space. By incorporating them into your home, you can preserve a piece of our shared heritage while supporting the renovation project. Embrace the beauty and history of the worship space at All Souls with these reclaimed stained-glass treasures.
