

# Find what matters. Here.

## VALUES

We're unapologetically Catholic, but our teachers are diverse and can hail from other Christian traditions as well. We know God always meets us exactly where we are. Inspired by the life of Jesus, our educators find and develop goodness in every child, and in each other.

## COLLEAGUES

Whether it's your first year, or your fifteenth, camaraderie with your coworkers is important. All Souls educators are accomplished, driven, passionate and supportive teammates. We are our best because we enjoy working together.

## FLEXIBILITY

We are held to a high standard, set by decades of excellence in education. Our educators creatively instruct well beyond what is required. It's your classroom and your students. We understand that, and your autonomy is a professional priority.

## SUPPORT

Present leadership, collaborative and encouraging staff, engaged parents and families, decades of accomplished and proud alumni. We have your back. All Souls teachers benefit from the grace and support of an active, service-minded community.

## CLASS SIZE

No two students are alike. We get it. Our "right-sized classes" make your job easier. Our preschool maintains an average of eight students to one teacher. Kindergarten through middle school educators instruct an average of eighteen students per classroom with the help of an assistant.

## SAFETY

Our classrooms are safe places for discussion and critical thinking; environments to grow and succeed, to fall and get back up. Campus buildings, spaces and school safety procedures are consistently enhanced with support from an established and dedicated security fund.

## Your Career Matters. Consider All Souls.

Reach out directly and let's talk. We're always proud to share our school and blessed to add to our team. Teachers, support staff, leadership, specialties, and campus positions. Early Learning Center through 8th Grade.
